

5th ANNUAL BEDFORD BASKETBALL SKILLS CAMP

Conducted by Bedford Boys Basketball

JULY 25-28, 2011

Bedford Boys Basketball is offering a Basketball Skills Camp to all boys and girls entering grades three through seven. Coach Nick Lowe, along with coaching staff and players from last year's high school basketball teams, will conduct a four day basketball camp.

The Bedford Basketball Skills Camp will provide intense instruction on the fundamentals of basketball, including dribbling, passing, shooting form, defense, and rebounding, as well as team play. Individual instruction for all players attending will be emphasized throughout the week. Each participant will also receive a tee shirt, compete in contests for awards, and play in games against equal competition.

Note: If you are a third grader interested in a recreational camp, please contact Bedford Community Education for information about their summer camps. Our camp is intended for players who wish to learn skills for competition.
